This class is for the beginning ballerina who loves to play and dance around! This class will foster creativity and teach beginners to adapt in a classroom setting. Students must be accompanied by an adult. Parent/guardian must be able to actively participate during class to help encourage their little dancer to also participate. Please note that the moves are easy, even Grandparents are encouraged to help out! Please do not bring other siblings into the dance studio unless they are signed up for the class. Dancers can wear comfortable clothing, ballet shoes or socks. This is a session class and students will not participate in the recital.

Classes are taught by qualified dance instructors in a family friendly environment at:
