

Pre-Twinklers

Ages 18 months - 3 years

This class is designed to nurture creativity and help beginners adjust to a classroom environment. Dancers will work on developing their gross motor skills, social skills, and the ability to follow instructions physically. Students must be accompanied by an adult. Parents or guardians are expected to actively participate in class to motivate their young dancers to join in. The movements are simple, making it easy for even grandparents to get involved! Dancers can wear comfortable clothing, ballet shoes or socks.
